6. Look for Board approval or mention of contracts or agreements having 28E characteristics. Then refer to the 28E subsection in the "Audit Planning" section of audit program.					
P. Obtain copy of College's June 30 financial statements/reports.	A				
Q. Document compliance with <u>Government Auditing Standards</u> conceptual framework for nonaudit services, if any.					
R. Determine if the College was a party to a government combination (merger or acquisition) or had a disposal of operations. If applicable, determine if activity is properly disclosed and reported in accordance with GASB 69.					
S. Discuss with the engagement team the significance of threats to management participation or self-review and emphasize the risks associated with those threats.					
T. 28E Organizations:	A				
1. Determine if the College was a member of a Chapter 28E organization of the Code of Iowa with gross receipts in excess of \$100,000 in a fiscal year.					
2. If so, determine if arrangements have been made for an audit of the 28E organization in accordance with Chapter 11.6 of the Code of Iowa.					
3. Review the College's policies and procedures for entering into 28E contracts or agreements.					
4. Inquire of College officials if any 28E contracts or agreements were entered into during the current fiscal year.					
U. Determine and document judgments about materiality levels by opinion units (AAG-SLV 4.23). If done at interim, update materiality levels as of year end.	B,C				
1. Opinion units in the College's basic financial statements are (as applicable):					
a. By each major fund.					
b. By governmental or business type activities.					
c. Aggregate remaining fund information.					
d. Discretely presented component units.					
e. Transaction class, account balance or disclosure, if necessary. (AU 320.14)					
2. Materiality level for each major federal program. If done at interim, update materiality levels as of year end.

V. Apply preliminary analytical procedures.	A,E,F				
1. Compare current year information to information with a plausible relationship.					
2. Identify expectations and document basis of expectations.					
3. Identify unusual or unexpected balances or relationships.					
4. Determine if matters identified indicate a higher risk of material misstatement. If higher risk is indicated, adjust audit approach accordingly.					
W. Prepare all necessary confirmation requests for mailing.					
X. Send attorney's letter to attorneys and other lawyers consulted on significant matters during the period. Send the letter early during field work with a requested response date one week prior to estimated completion of field work.					
Y. Determine and document an audit strategy based on determination of audit risk (AU 240, AU 315.26-.27, AU 320 and AU 935.20).	A,B,E,F				
Z. Internal Control:					
1. Obtain and document an understanding of the internal controls, including those relating to overall compliance	A,B,D,E, F				
a. Determine and document whether these internal controls have been implemented.					
b. Assess control risk for relevant financial statement assertions related to each significant account balance or transaction class, including those relating to overall compliance with laws and regulations having a direct and material effect on the financial statements.					
1) Identify those financial statement assertions for which tests of controls need to be performed and design and perform the appropriate tests of controls.					
2) Document conclusions concerning the assessed level of control risk for the assertions in the working papers.					
c. Obtain and document an understanding of any department's separately maintained records if they are of a significant amount and outside the normal transaction cycle.					
d. If the College uses a service organization to process transactions for the College (i.e. payroll processing, bank trust department that invests

Obtain and document an understanding of the internal audit function to determine whether the internal audit function is likely to be relevant to the audit. (AU 315.24)</p> <p>2. Major federal programs:</p> <p>a. Obtain and document an understanding of the internal controls relevant to the common requirements applicable to all major federal programs.</p> <p>b. Determine and document whether these controls have been implemented.</p> <p>c. Assess control risk. (The auditor should plan for a low level of control risk).</p> <p>d. Perform tests of controls over each major program, regardless of whether or not choosing to obtain evidence to support an assessment of control risk below maximum.</p> <p>e. Include lack of or ineffective controls as significant deficiencies or material weaknesses in the report on the internal control.</p> <p>3. If steps Z(1) and Z(2) are done at interim, determine if tests of controls and assessments of control risk can be extended to year end:</p> <p>a. Apply the following procedures for the internal control work done:</p> <p>1) Ask whether there have been any changes to internal controls, including federal controls, since interim. Also consider whether any changes are apparent from substantive (or other) tests done after interim.</p> <p>2) Consider the significance of any changes.</p> <p>3) Obtain audit evidence about the nature and extent of any changes.</p> <p>b. If considered necessary based on the above procedures, perform additional tests of controls and update risk assessments.</p>

AA. Document the auditor's consideration of the risk of material misstatement due to abuse. If indications of abuse exist, plan audit procedures to determine whether abuse has occurred and the effect on the financial statements. (GAS Chapter 6.34)	E				
BB. Consideration of compliance with laws and regulations (GAS Chapter 6.28, AU 250.12, AU 250.14)	D				
1. Identify and obtain an understanding of the legal and regulatory framework applicable to the College and how the College is complying with the framework.					
2. Identify possible instances of noncompliance with laws and regulations that may have a material effect on the financial statements:					
a. Inquire of management and, when appropriate, those charged with governance, about whether the College is in compliance with such laws and regulations.					
b. Inspect correspondence, if any, with relevant licensing or regulatory authorities.					
CC. Modify/expand on audit program guide, as necessary. The program should be responsive to the critical audit areas and other areas of concern noted in the audit planning, the analytical procedures performed on the financial statements and the understanding obtained of the College's internal controls.	A,F				
DD. Immediately contact the Manager if fraud or embezzlement is suspected. Ensure the appropriate officials are notified after contacting the Manager. Chapter 11.6 of the Code of Iowa requires a CPA firm and the College to notify the Auditor of State immediately regarding any suspected embezzlement, theft or other significant financial irregularities. If federal funds are involved, the appropriate U.S. Regional Inspector General should be notified.					
EE. Prepare audit time budget.					
FF. Discuss planning phase with the Manager and document conclusions.	A

COMMUNITY COLLEGE Sample College**June 30, 2015****AUDIT STRATEGY**

The attached audit strategy is to be used to document the following:

- Auditor's understanding of certain preliminary information regarding the College and its environment for planning the audit.
- Auditor's fraud risk assessment, including identification of fraud risk factors.
- Identification of material account balances and classes of transactions.
- Determination of the risk of material misstatement at the financial statement and relevant assertion level.
- Auditor's response to the risks identified.
- Identification of the federal programs.
- Determination of major federal programs and the applicable common requirements.
- Applicability of account balances and classes of transactions to federal programs.

AUDIT STRATEGY
RISK ASSESSMENT**I. BRAINSTORMING CONFERENCE**

Date: _____

Instructions: Members of the audit team are required to discuss the susceptibility of the College's financial statements to material misstatement due to fraud or error. The discussion should include an open exchange of ideas (brainstorming). The discussion should also emphasize the importance of exercising professional skepticism throughout the audit. The discussion may occur prior to, or in conjunction with, other audit planning procedures, but should take place each year.

If the audit is a Single Audit, completion of this procedure should include consideration of both the audit of the financial statements and the federal awards.

Audit of financial statements	Yes	_____	No	_____

Matters that should be discussed include:

- a. How and where the financial statements might be materially misstated due to fraud or error.
- b. How management could perpetrate and conceal fraudulent financial reporting.
- c. How the perpetrators could misappropriate College assets.
- d. Known external and internal factors affecting the College that might (1) create incentives/pressures to commit fraud, (2) provide the opportunity for fraud to take place and (3) reveal attitudes or rationalization about why fraud is acceptable behavior.
- e. Circumstances indicative of earnings management or manipulation of other financial measures which could lead to fraudulent financial reporting.
- f. The nature and risk of management override of controls.
- g. How best to respond to these fraud and other risks through the design of audit procedures.
- h. The importance of maintaining an appropriate attitude of professional skepticism throughout the audit when considering the risk of material misstatement due to fraud.
- i. Risks of material misstatements associated with related party relationships and transactions.

The discussion should not be influenced by past favorable experience with the integrity of management.

The discussion should abandon neutrality and presume the possibility of dishonesty at various levels of management.

The discussion should focus on the financial statement areas vulnerable to fraud presuming management, employees or volunteers were inclined to perpetrate fraud.

3. Did information arise during the brainstorming meeting that may be relevant to identifying risks of material misstatement due to fraud or error?

_____ Yes (Document on Part IV)

RISK ASSESSMENT**II. INQUIRIES ABOUT THE RISKS OF FRAUD**

Instructions: Auditors are required to make inquiries of **management** and others about the risks of fraud. Inquiries should be made each year in the planning stage of the audit. This form can be used to document the auditor's inquiries of management and other employees. Conducting one-on-one interviews with members of management and other employees is the most appropriate way of accomplishing the objectives of the inquiry process. Management interviewed should include, at a minimum, all those who sign the management representation letter.

If the audit is a Single Audit, completion of this procedure should include consideration of both the audit of the financial statements and the federal awards. Alternatively, the auditor may wish to complete separate forms.

(A separate form should be used for each person interviewed)

A. Incentives/Pressures				
1. Are there any indications management or employees with access to cash or other assets susceptible to theft have personal financial obligations that may create pressure to misappropriate assets?				
2. Are there any conditions that may create adverse relationships between the College and employees with access to cash or other assets susceptible to theft, such as the following:				
a. Known or anticipated future employee layoffs?				
b. Recent or anticipated changes to employee compensation or benefit plans?				
c. Promotions, compensation or other rewards inconsistent with expectations?				
B. Opportunities				
1. Does the College maintain or process large amounts of cash?				
2. Is the College's inventory easily susceptible to misappropriation (such as small size, high value or high demand)?				
3. Does the College have assets easily convertible to cash (such as bearer bonds, etc.)?				
4. Does the College have capital assets easily susceptible to misappropriation (such as small size, portability, marketability, lack of ownership identification, etc.)?				
5. Is the College susceptible to fraudulent, unauthorized disbursements (such as vendor or payroll disbursements) being made in amounts that are material to the financial statements?				
6. Is there a lack of management oversight over assets susceptible to misappropriation?				
7. Does the College lack job applicant screening procedures when hiring employees with access to assets susceptible to misappropriation?				
8. Does the College have inadequate record keeping over assets susceptible to misappropriation?				
9. Is there a lack of appropriate segregation of duties that is not mitigated by other factors (such as management oversight)?				
10. Does the College lack an appropriate system for authorizing and approving transactions (for example, purchasing or payroll disbursements)?

AUDIT STRATEGY

IV. RESPONSE TO RISKS

The way the auditor responds to the risks identified during the risk assessment process depends on the nature and significance of the risks identified and on the College's programs and controls that address such risks. The auditor should take into account the various risk assessment procedures performed, including preliminary analytical procedures, brainstorming session, information obtained about the entity and its environment, including internal controls, fraud risk considerations and any other sources providing information about relevant risks. For single audits, the auditor should consider the risk noncompliance may cause the financial statements to contain a material misstatement. Auditors respond to the results of the risk assessment in three ways: (1) an overall response as to how the audit is conducted, (2) specific responses involving modification of the nature, timing, and extent of procedures to be performed and (3) responses to further address the fraud risk of management override of controls.

1. *Overall response to financial statement risks* – Describe overall risks at the financial statement level that may affect many assertions and the planned response to identified risks. Examples of overall risks include weaknesses in the control environment, changes in management, motivation by management to fraudulently misstate the financial statements, etc. Appropriate responses may include: (1) assignment of personnel and supervision, (2) scrutiny of management's selection and application of significant accounting principles and (3) including an element of unpredictability in audit procedures and tests.

--

2. *Specific responses to risks* – If any risks are considered significant, the risk and the auditor's response to the risk should be included in the risk assessment summary form. For less significant risks, describe your specific responses, if any, to identified risks, including modification of the nature, timing and extent of audit procedures.

--

COMMUNITY COLLEGE _____ **Sample College****June 30, 2015****AUDIT STRATEGY**
RISK ASSESSMENT

3. *Response to address management override of controls* – Because management override of controls can occur in unpredictable ways, the risk of management override of controls is always an identified fraud risk and the auditor is required to perform certain specified procedures to respond to such risk. These procedures relate to (1) examining journal entries and other adjustments, (2) reviewing accounting estimates for biases and (3) evaluating the business rationale for significant unusual transactions.

We have documented the material account balances and classes of transactions and identified significant risks, if any, at the relevant assertion level. We have determined and documented the risk of material misstatement, specific responses to the risks identified, an overall audit approach and have modified the audit program procedures accordingly.

Significant Changes to Overall Audit Strategy:

Document significant changes made during the audit to the overall audit strategy and reasons for such changes. These change, if any, should be documented on the risk assessment summary or listed below:

Completion - Overall Audit Strategy Conclusion:

We have reviewed the audit procedures performed for each account balance and class of transaction and have determined these procedures agree with and satisfy the planned audit approach.

COMMUNITY COLLEGE _____ **Sample College****June 30, 2015****AUDIT STRATEGY**
SINGLE AUDIT

- 1) Determine Type A vs. Type B programs using the Program Identification form and the College's Schedule of Expenditures of Federal Awards.
- 2) Determine the risk classification of Type A and primary Type B programs using the Risk Assessment form. The auditor is not required to perform a risk assessment of relatively small Type B programs.
- 3) Identify major programs and determine if the percentage of coverage rule has been met using the bottom of the Determination of Major Programs form.

Major programs must account for at least 50% of total expenditures of federal awards unless the College is low-risk, in which case only 25% needs to be met.* The College is considered low risk if, for each of the prior two years, all of the following conditions have been met:

- A Single Audit is performed on an annual basis.
- Unmodified opinions on the financial statements and the Schedule of Expenditures of Federal Awards were issued.
- No material weaknesses in internal control under the requirements of Government Auditing Standards (relating to the financial statements) were noted. **
- No internal control deficiencies identified as material weaknesses were noted for all Type A programs.
- No material non-compliance was noted for all Type A programs.
- There were no known or likely questioned costs exceeding 5% of the program's expenditures for all Type A programs.
- The prior two audits must have met the report submission requirements of OMB Circular A-133 (reports were submitted to the federal audit clearinghouse by March 31).

*The College may have one or more non low-risk Type A programs and still qualify as low-risk, as long as all Type A programs meet the criteria listed. However, all non low-risk Type A programs must be audited as major programs even if the 25% rule of coverage is met by only a portion of the non low-risk Type A programs.

**However, a waiver allowing the College to be identified as low-risk may be provided by the cognizant or oversight agency if it judges an opinion modification or any identified material weaknesses does not affect the management of federal awards.

NOTE: The inclusion of large loan or loan guarantees (loans) should not result in the exclusion of other programs as Type A programs. When a federal program providing loans significantly affects the number or size of Type A programs, this program shall be considered as a Type A program and exclude its values in determining other Type A programs.

(1) - This criteria must be met in order to consider a Type A program low-risk.

(2) - Auditors should use their judgment. Audit findings from prior year do not preclude the program from being low risk.

** - A-133 states in part that for a Type A program to be considered low-risk, it shall have been audited as a major program in at least one of the two most recent audit periods.

This ensures that all Type A programs are tested as major at least once every three years.

Note: Except for known significant deficiencies or material weaknesses in internal control or compliance problems, a single criteria would seldom cause a Type B program to be considered high-risk

COMMUNITY COLLEGE _____ **Sample College****June 30, 2015**

AUDIT STRATEGY
SINGLE AUDIT
DETERMINATION OF MAJOR PROGRAMS

In order to determine major programs, complete the following steps:

- Enter Type A programs and their risk analysis from the Risk Evaluation form. For non low-risk programs only, enter their percentage of total federal expenditures (from the Program Identification form) in the far right column. If there are no low-risk Type A programs, then determine if total percentage of non low-risk Type A programs exceeds the percent of coverage rule. If it exceeds the minimum percentage required, the determination of major programs is complete.
- Enter primary Type B programs and their risk analysis from the Risk Evaluation form. Select at least half of the Type B programs determined to be high risk (may be limited to the number of low-risk Type A programs.) For each high-risk Type B program selected, enter its percentage of total federal expenditures (from the Program Identification form) in the far right column. When identifying which high-risk Type B programs to test as major, the auditor is encouraged to use an approach which provides an opportunity for different high-risk Type B programs to be audited as major over a period of time.
- Determine if the total percentages from these two steps exceed the percent of coverage rule. If it exceeds the minimum percentage required, then the determination of major programs is complete. If the minimum percentage is not met, include additional programs as necessary to meet the percentage of coverage rule.
- For each major program, document the inherent risk from the previous page. If a risk assessment was not required, determine the inherent risk for each major program based on the criteria from the previous page.

COMMUNITY COLLEGE Sample College**June 30, 2015****NONAUDIT SERVICES**

CONCLUSION: We have evaluated the nonaudit services to be provided to the College both individually and in the aggregate. We have determined the nonaudit services are not prohibited services and do not involve undertaking management responsibilities as described in Government Auditing Standards.

We have evaluated and documented all significant threats and applied safeguards to eliminate or reduce any significant threat(s) to an acceptable level. We have evaluated the SKE of the individual designated by the College to oversee the nonaudit services and determined they are suitable in the circumstances. We have documented and met the requirements for performing nonaudit services under paragraphs 3.37 and 3.39 of the 2011 Yellow Book.

Based on the foregoing, we may provide the nonaudit services described herein and remain independent with respect to the College.

[illegible]

COMMUNITY COLLEGE Sample College**June 30, 2015****SIGNIFICANT FINDINGS
FROM THE AUDIT**

IN ATTENDANCE:

<u>College</u>		<u>Auditor</u>	
Name	Title	Name	Title

The auditor should communicate significant findings from the audit with those charged with governance, including the following matters (AU 250.21, AU 260.12 through AU 260.14).

(A) Accounting Policies

Significant accounting policies used by the College are described in Note 1 to the financial statements. Except as noted below, no new accounting policies were adopted and the application of existing policies was not changed during the fiscal year. Except as noted below, we noted no instances where an otherwise acceptable accounting practice is not appropriate to the circumstances of the College.

Exceptions:

(B) Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility future events affecting them may differ significantly from those expected. We evaluated key factors and assumptions used in the significant estimates used by the College in determining the reasonableness in relation to the financial statements taken as a whole.

List significant estimates:

(C) Difficulties Encountered in Performing the Audit

Except as noted below, we encountered no significant difficulties in dealing with management in performing and completing our audit.

Exceptions:

COMMUNITY COLLEGE Sample College**June 30, 2015****SIGNIFICANT FINDINGS
FROM THE AUDIT****(D) Nonaudit Services**

We have met the requirements for performing nonaudit services under paragraphs 3.37 and 3.39 of the 2011 Yellow Book. Except as noted below, no nonaudit services were performed.

Exceptions:

(E) Uncorrected Misstatements

We have provided management with a listing of all uncorrected misstatements identified during the audit, in the management representation letter. In our judgment, none of the uncorrected misstatements, either individually or in the aggregate, indicate matters that could have a significant effect on the College's financial reporting process.

(F) Disagreements with Management

Professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting or auditing matter that could be significant to the financial statements or the auditor's report. Except as noted below, no such disagreements arose during the course of our audit.

Exceptions:

(G) Corrected Misstatements

The following corrected misstatements were brought to the attention of management as a result of audit procedures performed:

(H) Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If consultation involves application of an accounting principle to the College's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine the consultant has all the relevant facts. Except as noted below, there were no such consultations with other accountants.

Exceptions:

We have provided our written comments and recommendations regarding the College's financial statements and operations, including matters involving noncompliance with laws and regulations.

COMMUNITY COLLEGE _____ **Sample College****June 30, 2015****ITEMS FOR COMMENT**
INTERNAL CONTROL

The following guidance should be used by the auditor to evaluate the control deficiencies identified (AU 265):

Definitions:

Deficiency in Internal Control – exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

Significant Deficiency – a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Material Weakness – a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis.

Reasonable Possibility – exists when the likelihood of the event is either reasonably possible (chance of future event or events occurring is more than remote but less than likely) or probable (future event or events are likely to occur).

Magnitude – refers to the extent of the misstatement that could have occurred, or actually occurred, since misstatements include both potential and actual misstatements.

Factors that affect the magnitude of a misstatement that might result from a deficiency or deficiencies include, but are not limited to, the following:

- The financial statement amounts or total of transactions exposed to the deficiency.
- The volume of activity (in the current period or expected in future periods) in the account or class of transactions exposed to the deficiency.

Risk factors affect whether there is a reasonable possibility a deficiency, or a combination of deficiencies, will result in a misstatement of any account balance or disclosure. The factors include, but are not limited to, the following:

- The nature of the financial statement accounts, classes of transactions, disclosures and assertions involved.
- The cause and frequency of the exceptions detected as a result of the deficiency, or deficiencies, in internal control.
- The susceptibility of the related asset or liability to loss or fraud.
- The subjectivity, complexity or extent of judgment required to determine the amount involved.
- The interaction or relationship of the control(s) with other controls.
- The interaction with other deficiencies in internal control.
- The possible future consequences of the deficiency, or deficiencies, in internal control.
- The importance of the controls to the financial reporting process.

ITEMS FOR COMMENT
INTERNAL CONTROL

[illegible]

I/N = Instances of non-compliance

A = Reasonable possibility a misstatement or noncompliance may occur and not be detected/corrected

B = Magnitude of the potential misstatement is material, either quantitatively or qualitatively

C = Deficiency is less severe than a material weakness, yet merits attention of those charged with governance

When evaluating the above internal control deficiencies (D/C):

- 1) (AU 265.09) Did the auditor determine whether multiple deficiencies which affect the same significant account or disclosure, relevant assertion, or component of internal control may, in combination, constitute a significant deficiency or a material weakness? _____ Yes
- 2) (AU 265.10) For a deficiency or combination of deficiencies not considered a material weakness by the auditor, did the auditor consider whether prudent officials having knowledge of the same facts or circumstances would likely reach the same conclusion? _____ Yes
